If the e-invoices cannot be sent, the invoices can also be sent by e-mail. By email, each invoice must be sent as a separate pdf attachment. Each company has their own emails, where to send the invoices. Invoices are processed more quickly if the invoice contains our official invoicing address and reference name, also clearly shows the client's official name, address and other reference details (VAT-number, EDI code/e-invoicing code, SWIFT code)

The logo for Veho, featuring the word "VEHO" in a bold, italicized, sans-serif font.
